(2) Every inmate granted leave under this section shall be received back into the Oregon Fairview Home upon complaint in writing by a citizen of this state to the

district attorney of the county in which the inmate resides. The district attorney shall promptly notify the Superintendent of Oregon Fairview Home of the complaint if the acts complained of are such as to indicate that the inmate should no longer be permitted to remain at large. 427.220 Application for admission of minors without commitment. Pursuant to reasonable rules and regulations of the Mental Health Division and in conformity with ORS 427.230 and 427.225, the superintendent shall admit as a resident and take custody of any minor shown by examination under ORS 427.225 to be mentally deficient as soon as possible after the receipt of a written application for such minor's admission, submitted in accordance with the following requirements:

(1) The application shall be made by the minor's parents or, if the parents are not entitled to custody, by the person entitled to custody.

(2) The application shall be made in the manner and form required by the division. [1959 c.331 §2; 1961 c.661 §17]

427.225 Preadmission examination of minors; costs of transportation and maintenance during examination. (1) Upon receipt of an application provided in ORS 427.220, Oregon Fairview Home shall schedule a date for examination for mental deficiency of the minor on whose behalf the application for admission is made. The minor shall be brought to Oregon Fairview Home for the examination but no minor shall be kept in residence at Oregon Fairview Home for a period longer than seven days without an order of admission by the superintendent.

(2) The costs of transportation to Oregon Fairview Home shall be paid by the parents or persons entitled to custody of the minor. The cost of maintenance for the period of residence shall be determined by the Mental Health Division and paid by the parents or person entitled to custody. [1961 c.661 §19]

427.230 Admission as resident; residence requirement; cancellation of application; continuous custody upon commitment.

(1) A minor is entitled to admission as a resident in Oregon Fairview Home as space in the appropriate unit becomes available. Such admissions are to be made in the order in which proper applications for admission under ORS 427.220 are received, giving priority, as space in appropriate units becomes available, to previously received, proper applications and previously filed orders for commitment. Except as provided by subsection (2) of ORS 428.220, no mentally deficient person who has not been a resident of this state for at least one year next preceding his proposed admission to the institution shall be admitted to Oregon Fairview Home.

(2) As space in an appropriate unit becomes available, the superintendent shall notify the person who made the application for admission of the minor that the minor may be admitted as a resident. The notice shall set the date when the admission is to be made. If within 30 days after the date set for admission, the minor is not brought to the Oregon Fairview Home, his application may, in the discretion of the superintendent, be canceled.

(3) In case a resident, while in the custody of the superintendent, is committed to

Oregon Fairview Home, such resident shall remain in custody under the order for commitment notwithstanding ORS 427.065. [1959 c.331 §6]

427.240 Termination of residency voluntarily or continuation of custody upon commitment. (1) Subject to the provisions of subsection (3) of this section, no resident shall be retained at Oregon Fairview Home for more than 30 days after the date when the person otherwise entitled to custody of the resident except for the custody of Oregon Fairview Home has given written notice to the superintendent of his desire to remove the resident from Oregon Fairview Home. Such notice shall indicate to the superintendent the proposed plan of future residence of the resident.

(2) Whenever the superintendent considers it to be in the best interests of the resident that he be committed to Oregon Fairview Home, the superintendent shall promptly make application to the court having probate jurisdiction in the county in which Oregon Fairview Home is located for commitment of the resident to Oregon Fairview Home. The superintendent shall send, by certified mail to the last-known address of the person who gave notice of desire to remove the resident, a copy of his application for commitment. If, within 15 days after the date of such mailing, the person who gave such notice notifies the superintendent and the court in writing that he objects to the commitment proceeding taking place in the county in which Oregon Fairview Home is located, the proceeding shall be transferred to the court which would otherwise have jurisdiction to make an order of commitment upon application under ORS 427.030. Upon transfer, the costs of transporting the resident and of continuing his custody during the proceeding and the costs of examination and commitment shall be paid, notwithstanding ORS 427.100, by the person giving notice of desire to remove the resident; otherwise, the state shall bear such costs.

(3) Pending final determination of the commitment proceeding, the superintendent shall retain custody of the resident. If, upon final determination, the court does not order commitment of the resident to Oregon Fairview Home, the superintendent shall discharge the resident.

[1959 c.331 §3]

427.250 Discharge or commitment of resident upon reaching age of majority. Each resident shall be examined upon reaching the age of majority by at least two physicians, or one physician and one psychologist, on the staff of the Oregon Fairview Home who shall determine and certify as to the minor's mental retardation and need of further residential care, treatment, training or education at Oregon Fairview Home. If, in the opinion of the superintendent, their findings indicate the resident to be no longer a fit subject for Oregon Fairview Home, the resident shall be discharged. If the superintendent is of the opinion that the resident should be committed to Oregon Fairview Home, he shall promptly make application to the court having probate jurisdiction in the county in which the Oregon Fairview Home is located for commitment of the resident to Oregon Fairview Home. The superintendent shall send, by certified mail to the last-known address of the person who made application for the admission of the resident, a copy of his application for commitment. If, within 15 days after the date of such mailing, the person who made the application for admission, or the person otherwise entitled to custody of the resident except for the custody of Oregon Fairview Home, notifies the superintendent and the court in writing that he objects to the commitment proceeding taking place in the county in which Oregon Fairview Home is located, the proceeding shall be transferred to the court which would otherwise have jurisdiction to make an order of commitment upon application

under ORS 427.030. Upon transfer, the costs of transporting the resident and of continuing his custody during the proceeding and the costs of examination and commitment shall be paid, notwithstanding ORS 427.100, by the person objecting to the commitment proceeding taking place in the county in which Oregon Fairview Home is located; otherwise, the state shall bear such costs. If, upon final determination, the court does not order commitment of the resident to Oregon Fairview Home, the superintendent shall discharge the resident.

[1959 c.331 §4]

427.260 Discharge of residents; cost of care and maintenance of residents. (1) Residents may be discharged, but not transferred, in the same manner as is provided for inmates under ORS 427.120, except that, in the discretion of the superintendent, either (a) the resident may be returned to the person otherwise entitled to custody except for the custody of Oregon Fairview Home, in which case the state shall bear the cost of returning the former resident, or (b) the resident may be discharged at Oregon Fairview Home. In the case of discharges of residents under subsection (3) of ORS 427.240 or ORS 427.250, the superintendent may exercise the same option.

(2) The cost of the care and maintenance of a resident shall be charged and collected in so far as possible in the same manner as is provided in ORS chapter 428 for a person voluntarily admitted to a state hospital under ORS 426.220.
